The C team had a tough but very enjoyable season in Division 2, finishing in fourth place. We had a very settled team and used “guests” only four times, mainly when Nigel was taking a break. Our best results were the win at L Buzzard and the draw “away” at the mighty Bedford D. Nearly all matches were close and I hope that everyone enjoyed the season. Importantly, we defaulted not a single board and it was disappointing that the Open University failed to send a team to Bedford. Individually the scores may not look great but we were often heavily outgraded on most/all boards so ten wins and fifteen draws was a good effort..
